

New Agent Friendly Application Tool

In response to our Agents requests to be able to include their details in the online application, Le Cordon Bleu has upgraded its online application tool, which now requires fewer steps to complete an application including a new Agents Details page.

To access the new Online Application Tool go to:

Save Time and Money Online in 2007

The details entered into this new tool will be entered directly into our database. We will also be waving the usual transaction fees on \$500 online deposits.
